## WORK EXPERIENCE

### Providence

Boulder, CO

Web Development Intern

January – May 2023

- Assisted in the design and development of a desktop and mobile application that hosts educational AR volumetric videos for Providence Medical Services. Using HTML, CSS, JavaScript, A-frame, and 8th wall.

### Laazy Studio

Saratoga Springs, NY

Front End Developer

May – Aug. 2022

- Contributed to the design and development of the official website for *Laazy Studio*, an independent graphic design studio. Using Squarespace and customized CSS.

### Village Baking Co.

Dallas, TX

Team Member, Barista

January – August 2021

- Made specialty coffee drinks for customers.
- Served customers baked goods.
- Handled transactions at the cash wrap.

### Deep Vellum Publishing

Dallas, TX

Development and Marketing Intern

Aug. 2020 – May 2021

- Increased supporter engagement for Deep Vellum, a nonprofit literary art center and publisher by:
  - Creating programs that connect Deep Vellum with Dallas communities that have limited access to the literary world with which Deep Vellum has strong ties.
  - Recruiting individuals and organizations with a steady following who are interested in partnering with Deep Vellum to expand the community.
  - Composing graphic designs for Deep Vellum to share online to boost engagement during covid.
- Developed author biography pages for the official Deep Vellum website. Using Squarespace and customized CSS.

### iCode

Dallas, TX

Tech Lead

Sep. – December 2020

- Taught classes to kids ages 7-11 on: HTML/CSS, world building using Roblox, digital art using GIMP, and prototyping using proto.io.

### Whole Earth Provision Co.

Dallas, TX

Sales Associate

May – August 2019

- Assisted customers in gift and toy section and clothing department.
- Handled transactions at the cash wrap.
- Helped train new staff members.
