WORK EXPERIENCE

Deep Vellum Publishing, [Intern](#)

August 2020 – August 2021 | Dallas, TX

Researched development strategies, interviewed authors, built pages for new website, helped with grant applications, designed online event invitations

Whole Earth Provision Co., [Sales Associate](#)

May 2019 – Sep 2019 | Dallas, TX

Provided excellent customer service. Organized both the gift/toy section and the clothing department. Handled transactions at the cash wrap. Helped train new staff members.

iCode, [Tech Lead](#)

Sep 2020 – Dec 2020 | Dallas, TX

Motivated middle schoolers to explore their interest in creative tech in a collaborative, fun environment. Taught students topics including: basic history of computer science, HTML, game creation through Roblox, digital art (Photoshop and GIMP), intro to prototyping through proto.io

Public Process at Sculpture Center, [Member](#)

June 2018 – July 2018 | Queens, NY

Member of a fellowship that explored public art, city planning, and urban space through field trips and discussion sessions. At the end of the program, members formed a panel and selected a winning commission to be produced by SculptureCenter.

DiscoverStem, [Intern](#)

May 2018 – July 2019 | Dallas, TX

Aided students in designing and programming prototypes. Conducted group research to aid group projects. Designed colorful, guided notebooks for students' everyday use. Created daily activities for students.

Village Baking Co., [Team Member](#)

March 2021 – August 2021 | Dallas, TX

Served customers at local bakery
